

Boulders Women's Golf Association raises \$37,000 for AIBH

Members of the Boulders Women's Golf Association at the Luncheon

On February 28th, the Boulders Women's Golf Association held their annual golf tournament and luncheon at the Boulders Resort and Golden Door Spa in Carefree, raising more than \$37,000 for the Arizona Institute for Breast Health (AIBH). This is the 12th year in a row the event has raised funds for the organizations' critical mission, which is to give ALL women diagnosed with breast cancer timely options for care, education and support.

"Through tireless sponsors like the Boulders, we are able to offer Arizona women who have been diagnosed with breast cancer a second opinion, completely free of charge," said AIBH co-founder Dr. Coral Quiet, who also spoke at the event.

Nearly 100 local men, women and businesses came out to ensure the event was a success. For more information about AIBH, located in Scottsdale, please visit aibh.org.
